Access Doors

BM-MK-01

BM-MK-01 Series 2 hour access panels for walls and ceilings include the following features:

Product Features

- For all types of walls and ceilings
- 1 and 2 hour fire rated
- 50 mm fire rated insulated door panel

Finish

- As standard all doors are powder coated in white RAL Number 9010 with 20% gloss. Black and other addition colours are available to order (please call to discuss) or access panels can be over painted on site if required.

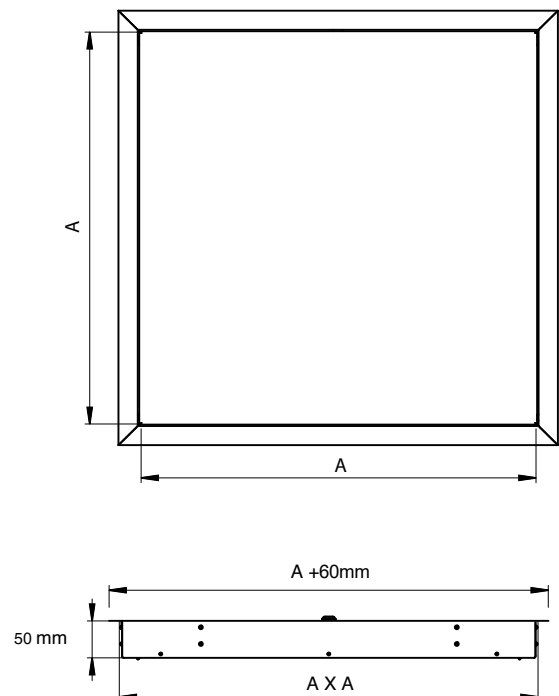

Mounting

- Make sure the door opens and closes properly and does not stick before finally securing the door.
- Make sure the wall or ceiling is strong enough for fitting the door.
